the other shoves
the shoes

He has some dirt on the edge of his shoe.
He gets two points for making the shot.
The ship is tied up next to the sub.
The rabbit is resting in the shade.
If you touch exposed wires you will get a shock.
This sheep has just been shorn.
This old shed may fall over at any time.
He will use the razor and shaving cream to shave.
The nutcracker is used to break the hard shell.
The waves are breaking gently on the shore.
The top shelf has many spools of wire.
The pebbles and leaves come in many shapes and sizes.
The leaves make dark shadows on the wall.
This cactus has sharp spines on its leaves.
I wear this shirt on special occasions.
Protect your face from sparks with a face shield.
You need many bundles of shingles for a shingle roof.
The shorts are folded neatly on the basket.
If one bull gets too close, the other shoves it with his chest.
The shoes are stacked neatly outside the door.

the dishwasher

When the logs burn, the ashes fall to the bottom.
There are two bushes at the side of the road.
I like to sit on the cliff and watch the ocean.
The overstuffed chair has a thick cushion.
There are many dirty dishes in the sink.
The bunny is washing its face.
He is fishing at the ocean.
Pick an orange out of the bushel.
The white mushroom is growing in the leaves.
The instruments are in the dashboard of the car.
This fuchsia has pink and red petals.
He is flashing the light to send a signal.
The windshield wipers could not keep up with the rain.
This old station wagon has wooden sides.
There are three brushes in the shower.
The carnation is stuck in the handle of the basket.
One musician is not playing.
The vast empty spaces give me a feeling of isolation.
This acacia tree is growing in the dry plains of Africa.
The dishwasher is full of dishes.

The mesh has leaves and dirt on it.
The bush is growing beside the fence.
I went to the ATM machine to get some cash.
They have a large satellite dish in their yard.
We saw this yellow fish at the aquarium.
The little dog is on a thin leash.
I'll put out the dishes while you mash the potatoes.
Open the blinds by pulling on the sash.
You should eat fresh fruit every day.
Use a flash when you take pictures inside.
This brush has stiff bristles.
They threw the trash over the hedge.
The pestle is used to crush the crystals.
The cattails are growing in the marsh.
In our town, we smash the cans before we recycle them.
I put some fresh relish on the sandwich.
Only the leaves of the radish show when it is growing.
The crackers are shaped like tiny goldfish.
The wave made a big splash when it hit the shore.
The green squash is turning orange.
